

Jeel Moya Salazar

Científico peruano en Ciencias de la Vida y Humanidades. Tiene el grado de bachiller en Tecnología Médica (M.T.) y Medicina (M.B.B.S.). Además, él tiene la especialidad en Laboratorio Clínico y Anatomía Patológica (C.L.S.) obtenido en 2016. Dentro de sus estudios de postgrado, tiene Diplomatura en Citodiagnóstico, Diplomatura en Control de Calidad en Laboratorio Clínico y un grado de maestro en Salud Pública (M.P.H.) obtenido en 2022. Para 2023, es candidato del doctorado en Neurociencias (Ph.D.c) y estudiante de Maestría en Ciencias (M.Sc.) y Maestría en Antropología Social. (M.A.). Además, es revisor de 14 revistas científicas indizadas en WoS y Scopus, y pertenece a 10 sociedades científicas en todo el mundo. Jeel es profesor de pregrado y postgrado en bioingeniería, investigación, ciencias de la salud y educación.
