

## **MIANO PASTOR, ALBERTO CLAUDIO**

Ingeniero Agroindustrial con Maestría y Doctorado en Ciencias y Tecnología de Alimentos. Investigador calificado como Distinguido por RENACYT, con amplia experiencia en la planificación y ejecución de proyectos de investigación científica en el área de ingeniería de procesos de alimentos. Sus especialidades incluyen transferencia de materia, tecnología de ultrasonido, viscoelasticidad de alimentos sólidos, secado, deshidratación osmótica, hidratación y procesamiento de granos y leguminosas. Además, posee la capacidad de trabajar en otras áreas de investigación dentro de la Ingeniería Agroindustrial.

Actualmente, es revisor de artículos científicos en revistas indexadas en SCOPUS y WOS. Ha publicado más de 50 artículos en revistas internacionales, ha contribuido con 5 capítulos de libros y ha escrito un libro completo. También tiene experiencia en la docencia universitaria, impartiendo cursos como Ingeniería de Alimentos, Fenómenos de Transporte, Estadística Experimental, Metodología de la Investigación y Tecnología de Alimentos.

### **Publicaciones:**

#### **Publicaciones científicas en Scopus/WOS**
